Have a "Coke" = Good winds have blown you here

...a way to say "We are friends" to the Chinese

In far-off places, when Coca-Cola is on hand, you find it cementing friendships for fighting men of the United Nations. China knew Coca-Cola from Tientsin to Shanghai, from Hong Kong to Tsingtao. To Chinese and Canadian alike, Hare a "Coke" are welcome words. They belong with friendliness and freedom, From Montreal to the Seven Seas.

Coca-Cola stands for the pause that refreshes, has become a symbol of good will among the friendly-minded.

Our fighting men are delighted to meet up with Coca-Cola many places overseas. Coca-Cola has been a globe-trotter "since way back when". Even with war, Coca-Cola today is being bottled right on the spot in over 35 empire, allted and neutral nations. "Coke" = Coca-Cola It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
